

A low-angle, upward-looking photograph of several tall, slender trees with light-colored bark. The tree canopies are filled with vibrant yellow autumn leaves, creating a dense, textured ceiling against a clear blue sky. The perspective draws the viewer's eye towards the top of the frame.

LARRY H. & GAIL MILLER FAMILY FOUNDATION

IMPACT REPORT 2023

LETTER FROM THE TRUSTEES

DOING GOOD. TOGETHER.

The largest living organism on Earth is in Utah. The Pando Aspen Grove in south-central Utah has more than 47,000 trees in the grove that are spread out over 106 acres. The root system, if stretched out end to end, would cover 12,427 miles, a distance equal to half the circumference of Earth. When looking at aspen groves, you would never know they were connected by a single root system.

Reflecting on the history of our family's company and philanthropic efforts to where we are now, we see the various "roots" connecting along the way. Making us stronger. Together.

Doing Good. Together. These simple but powerful words reflect the Larry H. & Gail Miller Family Foundation's efforts to harness our relationships to achieve the best outcomes in the communities we serve. We believe one of the most enriching and exciting ways we can "do good together" is through philanthropy. When we come together to work on issues collectively, the rate of change increases and complex problems can be solved. However, we cannot do that without collective listening, learning, love and action.

When we come together, we can do more than we can do alone. We feel we have a responsibility to be involved, to seek solutions to problems affecting our families and neighborhoods, and to contribute in meaningful ways to make our communities better.

Like the interconnected roots of aspen trees, *Doing Good. Together.* forms a supportive network that strengthens and sustains the community. We believe philanthropy develops from a place of love, compassion, proximity and collaboration. Operating from a place of love allows us to tap into our light and truth and gives us a greater advantage in building relationships of trust and loyalty where all can thrive.

Together we learn. Together we are inspired. And together, we are always better.

Let's continue to Do Good. Together.

MILLER FAMILY PHILANTHROPY

LARRY H. & GAIL MILLER FAMILY FOUNDATION

The Larry H. & Gail Miller Family Foundation was established in 2007 to continue the philanthropic spirit exemplified by Larry and Gail Miller for future generations. The Larry H. & Gail Miller Family Foundation supports programs that enrich lives and communities in the areas of health and medicine, shelter and food security, education and skill development, jobs and economic self-reliance, and cultural and spiritual enrichment.

In 2023, the Miller family's philanthropic efforts supported 285 organizations impacting all 29 counties in Utah.

IMPACT PRINCIPLES

1

We are rooted in a family legacy of giving back.

We feel a stewardship to enrich lives and communities with the resources we've been blessed with through our hard work.

2

We are human-centered and we champion community-driven change.

We strive to listen and learn at the grassroots level, build meaningful relationships, and engage those closest to the solution.

Driven 2 Teach makes American history come alive in the classroom by taking Utah public school teachers to important historical sites. The hands-on seminars are designed to inform, inspire and support excellent classroom teaching. Since 2007, Driven 2 Teach has hosted 1,278 teachers, impacting over 1 million students.

Inspired by Larry and Gail's love of education, the Larry H. Miller Education Foundation has given over 5,100 scholarships which have helped students further their education at 310 different universities, colleges and trade schools throughout the United States.

3

We are data-informed and outcomes-oriented.

We continually seek to understand the needs of our state and the needs of the sectors we invest in. We are committed to learning and supporting initiatives that prioritize outcomes over outputs.

4

We foster collaboration and capacity building.

We seek to convene, connect and partner with organizations doing complementary work. We provide strategic support to add value to our partnerships beyond the check.

OUR GIVING PLATFORMS

The Larry H. & Gail Miller Family Foundation partners with many organizations to enrich lives and build communities. We understand that factors such as quality healthcare, housing, food security, education, income, employment, social support networks and neighborhood conditions have a significant influence on a person's overall wellness and life expectancy.

These factors, also known as the social determinants of health, are the conditions in which people are born, grow, live and work. We seek to positively influence these social determinants of health so that individuals, families and communities can thrive.

HEALTH AND MEDICINE

We enrich lives by improving access to affordable and quality healthcare, medicine and community health systems.

SHELTER AND FOOD SECURITY

We enrich lives by increasing sustainable access to housing, food and other basic needs while also addressing the root causes of poverty.

EDUCATION AND SKILL DEVELOPMENT

We enrich lives by increasing access to quality education and ensuring every student has a pathway to a stable and fulfilling life.

“
I get lost in service. I find joy and learn to love those
I may have never before met. Empathy is a strong
emotion, and a useful tool. We can put empathy to
work to lift others and listen to their stories.
”

– Gail Miller
Chair, Larry H. & Gail Miller Family Foundation

JOBS AND ECONOMIC SELF-RELIANCE

We enrich lives by improving economic mobility and opportunity for individuals and families through access to job training, career development and financial/digital services.

CULTURAL AND SPIRITUAL ENRICHMENT

We enrich lives by advancing cultural and spiritual vibrancy in the communities where we live, work and play.

NEXT GENERATION GIVING

The next generation of the Miller family is dedicated to enriching lives in our community by giving back through time and resources.

TRUSTEE-DIRECTED INITIATIVES

The Larry H. & Gail Miller Family Foundation is committed to issues and institutions our trustees care deeply about, including education, wildlife conservation, foster care and recreational activities, among others.

ROOTS CHARTER HIGH

The Miller Family Foundation directed a grant on behalf of Brilliant Miller to Roots Charter High School, Utah's only farm-based school. The school takes students struggling with a typical classroom environment and provides hands-on instruction centered around ecological studies, farming and animal care. Through these innovative teaching methods and authentic problem-solving situations, students are well prepared for postsecondary education and employment and have a stronger sense of community and a deeper understanding of commitment.

FOSTER CARE

The Miller Family Foundation supports multiple foster care organizations, including Utah Foster Care and First Lady Abby Cox's initiative, Show Up for Foster Care. Through the Miller Family Foundation, Karen Miller Williams directed funding to Raise the Future, which connects youth in foster care with caring adults to create stable and loving relationships.

Data from Utah's most recent Adoption and Foster Care Analysis and Reporting System (AFCARS) showed that in 2020:

2,373

youth waiting

40%

over the age of 11

24%

had experienced 4+ home placements

Raise the Future increases the chances of adoption for the "longest-waiting" youth by up to three times by reconnecting them with safe, loving adults within their existing network, which leads to faster, more successful placements.

TRUSTEE-DIRECTED INITIATIVES

TENNIS AND TUTORING

On behalf of Steve and Jen Miller, the Larry H. & Gail Miller Family Foundation supported Tennis and Tutoring, which is dedicated to supporting Utah students at Title I schools. Many students at Title I schools face socioeconomic, academic and social challenges. The Tennis and Tutoring program offers private tutoring and tennis lessons to help students gain confidence in their academic pursuits and improve their mental and physical health. Each year, Tennis and Tutoring supports hundreds of students at seven locations across Utah.

SKI UTAH DISCOVER WINTER PROGRAM

Ski Utah created the Discover Winter program to make skiing and snowboarding more inclusive. Directed by Zane Miller, the Miller Family Foundation donated to the program to help bring more people of color to the slopes.

Upwards of 150 participants from Future Scholars of Africa, Weber State University, Morgan Stanley, Outdoor Afro and other organizations visited a Utah ski resort four times for ski or snowboard lessons.

THE GREG AND HEIDI MILLER SINGLE PARENT SCHOLARSHIP

The Greg and Heidi Miller Single Parent Scholarship helps single parents obtain an education at the University of Utah to improve their earning potential and break the cycle of working multiple jobs and intergenerational poverty. Seven students participated in the 2023-2024 cohort. On behalf of Greg and Heidi Miller, the foundation contributed financial support for the scholarships, which includes tuition and a living stipend.

“ This scholarship changed my learning experience for the better. Without the worry of paying for rent and childcare, I can focus on class, and my GPA has skyrocketed. This scholarship has boosted my self-esteem and made my life so much easier. ”

– Asha Brown
Scholarship Recipient

MILLER LEGACY PROJECT

As an initiative of the Giving and Service Committee, the Miller Legacy Project provides an educational giving experience to current and future generations of the Miller family and is specifically designed to perpetuate the philanthropic legacy of Gail and Larry. Generations of Millers work together to enrich the community through board service and through volunteering and donating to organizations. Starting at the age of 12, Miller family members are eligible to nominate organizations to receive grants on behalf of the Larry H. & Gail Miller Family Foundation.

38

third and fourth-generation Miller family members participated in Miller Legacy Project

25

nonprofit organizations received funds from Miller Legacy Project

NEUROWORX

Miller Legacy Project committee members Bryce Miller, Kat Miller, Lauren Todd Miller, Braden Miller and Zane Miller met with the founders of Neuroworx to tour the facilities and present a donation. Neuroworx provides specialized physical therapy, occupational therapy and speech therapy to individuals experiencing paralysis due to neurological conditions.

“ The Miller Legacy Project has been one of the best experiences I’ve had in my life. I have had my eyes opened to the need in our own communities in Utah and the good we can continue to do as a family for the state. I’ve found the relationships are just as meaningful as the giving and last far beyond the life of the donation. ”

— Lauren Todd Miller
Chair, Giving and Service Committee

MAUI STRONG FUND

The grandchildren of Larry and Gail Miller led a collective effort to donate \$330,000 to the Maui Strong Fund. Members of the Miller family also visited the island of Maui and the organizations their funds supported.

During their visit to the island, Aaron and Madelaine Anderson, both third-generation members of the Miller family, met with the Hawaii Community Foundation, the Maui Food Bank and the Pacific Birth Collective.

UTAH'S HOGLE ZOO

Thirteen-year-old Eloise Hawks participated in the Miller Legacy Project by helping fund a new air conditioning system in the polar bear exhibit at Utah's Hogle Zoo. The Miller Family Foundation, under the direction of Greg and Heidi Miller (Eloise's grandparents), provided an additional \$60,000 to cover the costs of the polar bear exhibit renovations.

HEALTH AND MEDICINE

We enrich lives by improving access to affordable and quality healthcare, medicine and community health systems.

ENOCH CITY TRAUMA RECOVERY INITIATIVE

In January 2023, Enoch City, a small town in Southern Utah, experienced a tragedy that left a lasting impact on the community. Through quiet giving and service, the Larry H. & Gail Miller Family Foundation and some of its key community partners, visited Enoch to bolster the community and help provide needed resources for mental health and rebuilding. Collectively, the Miller Family Foundation, Huntsman Family Foundation, the George S. and Dolores Doré Eccles Foundation and Zions Bank donated \$100,000.

VOLUNTEERS OF AMERICA

The Miller Family Foundation's \$1 million donation for the new VOA Recovery on Redwood facility:

adds **50** beds for detoxification

provides counseling for **981** community members

cares for an estimated **6,954** Utahns per year

HUNTSMAN MENTAL HEALTH INSTITUTE CAMPUS OF HOPE

The Miller Family Foundation donated \$3.5 million to the Huntsman Mental Health Foundation to help fund construction of the new Kem and Carolyn Gardner Mental Health Crisis Care Center. The Gardner Crisis Care Center is the first building on the site of the planned Huntsman Mental Health Institute Campus of Hope, meant to increase Utah's mental health resources.

When the center opens, it will have the capacity to serve 30 people needing short-term stabilization care and treatment and provide 24 inpatient beds for those requiring long-term care. It will also include a medication-assisted treatment clinic for people with opiate use disorders, intensive outpatient treatment for adults needing support for substance use disorders, and mental health day treatment for adults that need more help than traditional outpatient care.

“

This new crisis care receiving center is a major piece in addressing mental health issues in our city and county. And we believe it will be a model for the state and nation.

”

– Kem Gardner
Chairman of the Gardner Company

SHELTER AND FOOD SECURITY

We enrich lives by increasing sustainable access to housing, food and other basic needs while also addressing the root causes of poverty.

SEASON OF SERVICE

For the 25th year, the Miller family and the Larry H. Miller Company provided a Thanksgiving meal for individuals experiencing homelessness and food insecurity in Salt Lake City. Attendees connected with community partners, who provided dental cleanings, hygiene kits, mental health services and more, free of charge.

15

UTAH FOOD BANK

The Miller Family Foundation gifted \$1 million to Utah Food Bank to open its Timpanogos Distribution Center in Springville, Utah. The facility serves 11 counties and supports central and rural Utah. This expansion represents Utah Food Bank's critical efforts to respond to the increasing needs for food assistance, particularly in rural parts of the state.

DOMESTIC VIOLENCE SUPPORT

Domestic violence affects every community and impacts individuals from all walks of life. Service providers throughout Utah work tirelessly to offer comprehensive, trauma-informed advocacy, mental health and housing services to those affected by domestic violence. The Larry H. & Gail Miller Family Foundation donated over \$1 million to various organizations to support emergency services in rural and city areas, affordable housing initiatives and more for domestic violence survivors.

The Utah Domestic Violence Coalition's (UDVC) HomeSafe Program, provides short-term financial assistance for individuals and families experiencing domestic violence. Each survivor that participated in this program received a small grant of \$500-\$1,500 for assistance towards rent, car payments or childcare.

Organizations Supported in 2023: UDVC, YWCA Utah, YCC Family Crisis Center, Safe Harbor, The Refuge, Peace House, South Valley Services, Dove Center, and Fight Against Domestic Violence.

There are **16** shelters in Utah that offer support for victims of domestic violence across all **29** counties

26.7%

of females accessing homeless services in Utah have experienced domestic violence

1 in 3

Utahns have experienced a form of domestic violence

80%

of survivors list finding affordable housing as a top need

UINTAH BASIN TECHNICAL COLLEGE

The Larry H. & Gail Miller Family Foundation funded 10 scholarships for low-income, underserved or underrepresented rural students to attend Uintah Basin Technical College. UBTech offers a wide range of programs, including automotive, welding, nursing assistant, electrical technician, commercial driver's license and construction. Accessible technical training is vital for these students to enrich their communities.

EDUCATION AND SKILL DEVELOPMENT

We enrich lives by increasing access to quality education and ensuring every student has a pathway to a stable and fulfilling life.

SNOW COLLEGE

Snow College serves students in the six-county region of south-central Utah, and many are the first in their families to attend college. The Miller Family Foundation donated \$48,000 to fund the 2023 Underserved Access and Retention Initiative, which hired two Latino student ambassadors and two peer mentors to support recruitment and retention initiatives for underrepresented students. The funding also provided tuition scholarships to 17 students over two semesters.

74%

of Snow College students are from underrepresented communities

LATINOS IN ACTION

Latinos in Action strives to empower Latino youth to lead and strengthen their communities through culturally responsive skills for learning and life, college and career readiness, and leadership development. The Larry H. & Gail Miller Family Foundation provided \$120,000 in funding for new programs focused on creating a Latino pipeline for careers in STEM and healthcare. The program includes courses for Latinos in Action high school students to help teach STEM to K-5 students through weekly tutoring. Latinos in Action supports students on the west side of Salt Lake City and throughout the state.

LARRY H. AND GAIL MILLER ENRICHMENT SCHOLARSHIP

For over 20 years, first-generation college students have received the Larry H. and Gail Miller Enrichment Scholarship to further their academic pursuits at the University of Utah.

The Miller Enrichment Scholarship typically awards full tuition and fees, on-campus room and board, and a textbook allowance. Through this scholarship program, more than 200 students have had access to an education and resources they may have thought impossible.

JOBS AND ECONOMIC SELF-RELIANCE

We enrich lives by improving economic mobility and opportunity for individuals and families through access to job training, career development and financial/digital services.

RURAL ECONOMIC DEVELOPMENT IN SOUTHEASTERN UTAH

The Larry H. & Gail Miller Family Foundation provided a \$500,000 grant for an investment project in rural Utah spearheaded by the Southeastern Regional Development Agency and the Utah Regional Growth Association. The grant will help address the capital gap many rural communities across the state are facing as federal regulations require coal plants to shut down.

The project focuses on advanced energy research, manufacturing innovation, entrepreneurial ecosystem support, and workforce diversification in Carbon, Emery, Grand and San Juan counties.

“
This funding is the first step in institutionalizing the private financial vehicles needed to ensure that coal-reliant communities like Carbon County and Emery County don't die a slow death.
”

– Jade Powell
Executive Director, The Utah Regional Growth Association

CENTER FOR ECONOMIC OPPORTUNITY AND BELONGING

In 2022, The Center for Economic Opportunity and Belonging launched its New Americans task force, a statewide effort to support the inclusion of New Americans calling Utah home.

With a donation of \$150,000 from the Miller Family Foundation, the Task Force worked with private and public partners to aid in small business development and foreign degree and certificate opportunities, creating upward mobility in Utah's robust job market. These efforts maximized economic opportunities, social inclusion and the civic potential of New Americans in the Beehive State.

“ Transformative change requires us to think beyond collaboration—we must build meaningful relationships where all can co-create meaningful solutions. ”

– Ze Min Xiao
President and CEO,
Center for Economic Opportunity and Belonging

CULTURAL AND SPIRITUAL ENRICHMENT

We enrich lives by advancing cultural and spiritual vibrancy in the communities where we live, work and play.

WAT LAO SALT LAKE BUDDHARAM

The Wat Lao Salt Lake Buddharam, located in West Valley City, promotes and preserves Buddhist teachings, traditions, language and literature. It serves 60,000 Buddhists in Utah and visitors from surrounding states, including Idaho, Nevada, Wyoming and California. The Miller Family Foundation donated \$200,000 to support renovation projects at the Buddharam. Other contributing partners included Huntsman Family Foundation, The Stirling Foundation and Zions Bank.

NORTHWESTERN BAND OF THE SHOSHONE NATION

The Larry H. & Gail Miller Family Foundation is honored to support the construction of the Wuda Ogwa Cultural Interpretive Center in Idaho near the Bear River Massacre site. The center will educate and enlighten visitors about the history of the Northwestern Band of the Shoshone Nation as it honors those who have passed and teaches about Shoshone culture. The \$394,500 donation will help construct a new building with educational exhibits, an outdoor amphitheater and walking trails.

TRINITY AFRICAN METHODIST EPISCOPAL CHURCH

The Larry H. & Gail Miller Family Foundation joined the Historic Trinity African Methodist Episcopal Church (AME) community to celebrate the groundbreaking of the restoration of its Bourdeaux Fellowship Hall in Salt Lake City. Formed in the late 1880s, the Trinity AME congregation is part of Utah's Black history and pioneer heritage.

The Miller family is honored to support and celebrate the Historic Trinity AME community along with our friends at the George S. & Dolores Doré Eccles Foundation, Huntsman Family Foundation, Zions Bank, the Stirling Foundation, the Gardner Foundation and The Church of Jesus Christ of Latter-day Saints Foundation.

PHILANTHROPY DAY

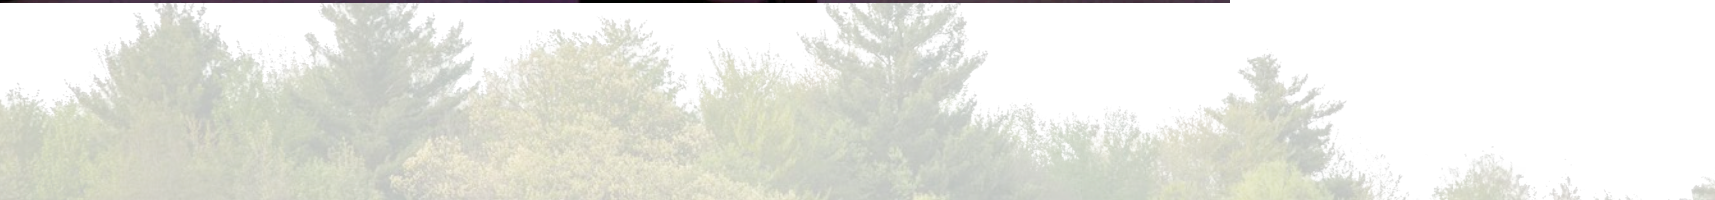

More than 150 attendees from Utah's philanthropic community spent the day learning from each other and covering key topics, including next-generation engagement, impact investing and the role of donors in measuring impact. Attendees discussed the need to work collectively together to tackle root causes and systemic challenges in our community.

Jean Oelwang, CEO of Virgin Unite, delivered a keynote address on the need for meaningful relationships and deep connections to make great things happen.

Each of the speakers at Philanthropy Day reminded attendees that when we come together to work on an issue collectively, the rate of change increases, and complex problems can be solved.

Brilliant Miller, trustee of the Larry H. & Gail Miller Family Foundation, moderated a panel at LHM Summit's Philanthropy Day with Katie Eccles, Katherine Miller, Keri Hale and Christian Gardner. The panel discussed next-generation giving and its role in enriching communities.

“

**We become unstoppable
when we have purpose,
partnership and urgency.**

– Jean Oelwang
CEO, Virgin Unite
